

A dark, irregular ink blot with splatters on a white background. The blot is roughly circular but has jagged, uneven edges. It is surrounded by numerous small, dark splatters of varying sizes, some of which are elongated and trail off from the main blot. The overall appearance is that of a fresh ink spill or a splash of paint.

24 He Lives!

““In the large corridor leading into the celestial room, I was walking several steps ahead of grand-pa when he stopped me and said: “Wait a moment, Allie, I want to tell you something. It was right here that the Lord Jesus Christ appeared to me at the time of the death of President Woodruff. He instructed me to go right ahead and reorganize the First Presidency of the Church at once and not wait as had been done after the death of the previous presidents, and that I was to succeed President Woodruff.”

““Then grand-pa came a step nearer and held out his left hand and said: “He stood right here, about three feet above the floor. It looked as though He stood on a plate of solid gold.”

“Grand-pa told me what a glorious personage the Savior is and described His hands, feet, countenance and beautiful white robes, all of which were of such a glory of whiteness and brightness that he could hardly gaze upon Him.

“Then [grand-pa] came another step nearer and put his right hand on my head and said: “Now, grand-daughter, I want you to remember that this is the testimony of your grand-father, that he told you with his own lips that he actually saw the Savior, here in the Temple, and talked with Him face to face”

“It is of great significance to me, that I may at any moment and in any circumstance approach through prayer the throne of grace, that my Heavenly Father will hear my petition, that my Advocate, him who did no sin, whose blood was shed, will plead my cause.

(See D&C 45:3–5.)” (Elder D. Todd Christofferson, “I Know in Whom I Have Trusted,” Ensign, May 1993, 83).
